

# Core Competencies Learning Reflection Log

## Critical Thinking

- I can explore and ask questions to pursue my curiosities.
- I can use criteria and evidence to make judgments.
- I can develop and design different approaches and solutions.

My example:

---

---

---

---

---

---

---

---

---

---

---

---

My learning goal:

---

---

---

---

---

---

---

---

---

---

---

---
